Dear Applicant,

Please complete the enclosed form and return it to me at the address listed above. Your application form must also be accompanied with the training fee of \$60.00 (payable to POTC), which covers the cost of the 6-week basic agility. The first week of class is orientation, and you will attend **with** your dog, but part of the time will be spent discussing the class, so you will need a way to contain your dog. For the rest of the class, both you and your dog will participate. Also note: handlers should normally be at least 12 years old; however, requests to consider handlers from 9-11 years old will be evaluated on an individual basis and approved at the sole discretion of the Agility Training Committee.

Before your dog can begin classes, it must be 10 months old at the time the class starts. You must provide us with your dog's current immunization record from your vet (it will be returned to you). If you have just recently (within 3 months) attended one of our obedience classes, we do not need the immunization records. You will also need to have a nylon or leather buckle collar and a 6-foot cotton or leather leash (leashes will be available for purchase at the first class).

On the first night of class, your dog may be evaluated on the following basic skills: sit, down, come, stay, and walking under control on lead. During the class, handlers will be required to follow instructor's directions at all times. Handlers need to be aware that agility is a physical sport for both dogs and handlers. Agility classes may require jogging, bending, lifting, and quick turns. If you have any questions regarding you or your dog's ability, please give me a call so we can discuss it.

Our club does not accept aggressive dogs (i.e. dogs that would bite other dogs or people). If you are not sure about your dog, please give me a call.

Unless other arrangements are made, you will be placed in the first class with an opening. We do not start new classes often and the class list is made by the date that applications are received, so it is important to get the application sent in. If the class is full, you will be put on a wait list until the next time a beginner class starts (typically less than once per year). Beginner classes typically meet on Tuesday evenings (starting no earlier than 6:30 and not later than 8:40) at our training facility at 492 Williams Highway; (Rt 14) Vienna, WV.

Sincerely,
The POTC Agility Instructors Committee
